These Girls Have Skills

Dear Virgin Territory,

I enjoyed seeing Della Cate in Vol. 28 No. 1. Then I checked her out at *18eighteen.com*. Not-so-delicate little Della Cate took quite a rugged pounding in this scene. Absolutely astonishing how deep that tiny-titted

Della Cate can really take a mouthful.

chick deep-throated his cock!

While I was there, I checked out Alice, who's also in your Vol. 28 No. 1 issue. Unusual blow job technique in how she holds that cock like a cigarette between her fingers. Nice. Then from the same issue, little Julia James took a big cock like a champ and kept on sucking him off even after he came! What a trooper!

Alice is a horny teen who enjoys sucking dick.

Tiny Mochi is the perfect pocket pussy! Besides showing off an amazing talent for deep-throating, she really knows how to grind her flexible body onto that guy's cock. She finishes him off by demonstrating that she's no cum dodger, taking it right on her face without flinching! Where did you find this teen, and can you bring her back for more?–Titbert, via email

Dear Titbert: You can see Mochi right now in the movie Flat & Fucked 13. *Order it at* eboobstore.com.

Do Anal, Suck Thumb

Dear Virgin Territory,

Mochi (Vol. 28 No. 1) is a little cutie. Love the hairy pussy and tiny little breasts. I love seeing Asians. More hardcore from this cutie would be welcome, including anal with

Mochi can be seen doing this in the movie *Flat & Fucked 13.*

her getting her tight asshole pounded hard and sucking on her thumb before taking a sticky facial. Then she can suck the cum off her thumb too.–Name withheld, via email

Dear Reader: Little Mochi doesn't get ass-fucked, but she does show off her flexibility and fuck an older dude in the movie Flat & Fucked 13. *She doesn't suck her thumb. She does suck cock.*

Vintage. Teen. Anal. Porn.

Dear Virgin Territory,

I happened to watch Paola Vega (June '09) at *18eighteen.com*. Every inch of her is flawless. This tight, seductive, 18-year-old nubile girl is built for sex. Firm tits with a nice bounce

Paola was just a few months past her 18th when JMac fucked her.

and a pink pussy with luscious lips that allow a smooth entry and deep views as the cock goes in and out.

She is a little shy in front of the camera, with eyes and a smile that will make your cock throb, and at the end, she looks back at JMac in dazed disbelief by how well she got fucked in her pussy and asshole. Paola is then shown with a close-up of her gorgeous face and eyes, making my cock throb. She's hot!–M.S. via email

Cum From Start to Finish

Dear Virgin Territory,

The second I saw the preview for the movie *Piped Pixies 4* (Vol. 28 No. 1), I knew I had to have it. What got me was the little picture on the box

Pretty Polly loves the taste of her own pussy.

cover of Jojo Austin with the guy's hands on her head and her mouth full of cock. Unfortunately, she isn't quite doing that in the movie, but close.

The rest of the movie satisfied my needs. I like to watch a movie once through from beginning to end before I really get to enjoying it, if you get my drift, but my game plan was cut short when I saw Polly Yangs. Whenever a girl or a woman in a porn movie sucks her pussy juices off a cock, I'm history as far as keeping from shooting my load.

Fortunately, I got my hard-on back quick enough to watch little Alice getting her young pussy pounded, but there I went again! At this point, I shouldn't have been surprised when I blew my load at about the same time Jojo Austin was getting her face covered with cum and then again when Mia was getting her little pussy stretched out.

I give this movie four cums with more to come!–J.G., Pacific Grove, California

A Simple Request for Jojo

Dear Virgin Territory,

Jojo Austin (Vol. 26 No. 4), if you ever happen to read this, I want you to know that I think you are one of the most-gorgeous women I've ever seen and I'm such a huge fan of yours. If I were ever so lucky to meet you, I would completely toss my shame and dignity out the window. I would probably be so stunned by your divine beauty that I'd take leave of my senses, get down on my knees before you and desperately beg you to have sex with me.

To me, you are an example of physical female perfection. If there is a god, I imagine he rarely creates something as beautiful as you. If there is a god, when he created you, his intentions had to be to make something so beautiful and flawless that it belongs in heaven, but instead, he

Jojo Austin's butthole is truly a natural wonder.

sent you down here as a divine gift to the human race.

While I'm at it, Jojo, can I please have sex with you and can you please have my babies?–P.A., via email

Make 18 More Colorful

Dear Virgin Territory,

18eighteen is fine as it is, but here are some suggestions:

• Feature some young Japanese girls. Japanese porn is rubbish because they have to pixelate the pussy because of their ridiculous regulations

Japanese teen Yui Kawagoe got naked in the December 2014 issue.

but is good in every other respect.

• Feature more girls of African origin with black skin.

• Feature more Mexican girls. Max Hardcore used to do this well. He dressed them up real young with plastic bobbles in their hair, high heels, etc., but then ruined it all by being horrible to them.

• Getting more variety of facial expressions from the girls would be good: worried look, shocked look, naughty look, innocent look, joyful look, thoughtful look and so on.–John, via email

Dear John: Thanks for writing. We always love to hear what readers like you think about how we can make the magazine even better. Readers, do you have any suggestions for us?

Thanks for the Load, Mitzi

Dear Virgin Territory,

Mitzi (Vol. 28 No. 1) needs to be congratulated for that sloppy load of cum she took all over her cunt. If you want to know the truth, I'd already cum from the picture on page 45, in which she's spreading her asshole and looking back at the camera. Her pussy looks like it's gone a few rounds, and the photo of it gaping on page 48 proves my point, but that butthole looks as pristine as the first snow of winter.

But the highlight of the pictorial, and I'm sure it was for a lot of other readers, was that big load dripping down her ass and onto her pussy and butthole, then back down her other leg. Bravo, you little slut! Great job!–S.J., via email

Dear S.J.: You can see the video version of that cum shot in the movie Tight, Wet & Wild, *which we preview this issue. After the guy shoots his load, and after 19-year-old Mitzi has cum many times, she fucks her pussy with a dildo for another cum. It's quite a show!* 18

Mitzi seems to be saying, "Look what I made him do!"

MOVIE PREVIEW

Tight, Wet & Wild

5 teen dreams fucking PLUS 5 solo bonus scenes

These girls would get in lots of trouble if their parents saw them here, but they don't care. Their pussies are soaking wet and needy, and they love to fuck even more than they love playing on their phones. And that's a lot! This movie includes five bonus solo scenes, so you can pick what you jack to. Check out Little Chloe, a petite ballerina, in the video version of her pictorial in this issue. And you can't miss Eve Bardot stretching out her young pussy around her much-older neighbor's cock.

Ava Marina

Ava Marina looks so pretty and wholesome in pink. Then she pulls down her cotton panties and reveals a manicured pussy with closely trimmed pubes. Ava gets on her knees and sticks her ass in the camera. She fingers her cunt till it's so wet, you can hear squishing noises. The taste of her pussy on her fingers turns her on. MitziX is ready to play with her dildo when a guy joins in. She's 19. He's 47. She gives him a preview of her blow job skills on the dildo then sucks him. He fucks her in a bunch of positions and cums on her pussy, and MitziX grabs the dildo and fucks her cum-sprayed box with it. Juniper Ren delivers the pussy-stuffing action you want to see. Here, she jams a dildo in and out of her wet, meaty snatch. She even plants it on the couch and bounces up and down on it like it's a real cock. Then she licks her pussy juices off the toy. Mmmm…the girl loves pussy so much, maybe she's bi.

Eveline looks so young, sweet and innocent. She takes a break from studying to stretch out her bald pussy with a big toy. Is that what young, sweet and innocent girls do? Guess so! Mila is a young hottie who wants to show off how she likes her pussy eaten, how she sucks and fucks and how much she loves jizz. She loves the idea of you watching. Spicy Ginger gets down on all fours, ass up, to suck a dude's dick. She gets fucked in some positions she'd never even heard of before the dude cums deep inside her pussy.

Sofia
Sweet & Juicy

This saucy Latina teen has some unusual nips.

One of the many interesting things about our covergirl is that although she's pretty much a flattie who can fit into A-cup bras, there's a bit of a caveat to that. As you're about to see, this horny Colombian teen has long nipples that are almost always hard, and the size of her nips can expand her bra size from a 32A to a 32B. We haven't heard of that before, either, but Sofia says it's true.

When did you realize your nips are special?

"Almost right away. I remember one day after sports class at school, a lot of the girls were looking at me in the shower, so I said to my bestie, 'Why was everyone staring at me?' She said, 'Your nipples, Sofia. They're so long and hard.' The funny thing is, I wasn't even thinking about sex when I was in the shower. And when I'm having sex with a guy, they get even longer."

PRINCESS

Did your nipples make high school difficult for you?

"No way! School was, like, super good for me. All the boys wanted to be my boyfriend. I think word got around about my nipples. Oh, and that I never wear panties. And, I guess, that I'm easy and can cum from missionary. And I like girls. Pussy, I mean. I guess maybe my nipples are always hard 'cause I'm always horny."

DIRTY IN Milwaukee

Amid reports that young people nationwide are having less sex than ever, there's some steamier news out of Milwaukee, Wisconsin. The *Shepherd Express*, the city's alternative news source, ran a 2025 Valentine's Day sex survey and compared the results with surveys from 2004 to 2007. While much of the country is in a sexual slump, Milwaukee's responses offer another reason it's called Cream City. The latest results suggest that today's locals are far bolder than their counterparts two decades ago.

According to the survey, 59% of respondents have tried anal sex, 30% have participated in three-ways, and

Spanking is on the rise in Milwaukee.

13% have engaged in group sex–all sharp increases from 20 years ago. Spanking, once reported in only the low single digits, is now a turn-on for 43%. Bondage and domination have seen a tenfold jump as well. Forty percent admitted to masturbating at work. Naughty, naughty!

So while the rest of America may be closing the bedroom door, Milwaukee seems to be throwing it wide open and maybe even leaving the handcuffs on the nightstand. Beer and cheese aren't the only things Cream City is known for anymore!

Like Mother, Like Daughter

The apple doesn't fall far from the tree for Desi and Elli Foxx.

Here are two models who really are related. If you're a longtime reader of the magazine, you might remember Desi and Elli Foxx, a real-life mother and daughter duo. The two came to our studio to pose nude and fuck hung studs. How's that for mother-daughter bonding? Elli was featured in the July 2008 and September 2008 issues of *18eighteen*, and she and her mother were featured together in the July 2010 issue. This was a very special and rare occasion for us that deserves a look back down memory lane.

A SNEAK PEEK Doppelganger

In an upcoming issue, a sweet braceface named Lola will be featured. But upon seeing her, you might mistake her for this issue's Eveline (p. 80). The two girls look strikingly similar and even have a similar body type, including round, handful-sized breasts with perfectly round nipples. Given this, it's fitting to classify these two as sisters from other misters. Another similarity between them: They both fucked for the camera too!

Sophie
Fit for
Fuckin'

She has a story to tell about her principal.

Sophie is shy. Don't believe it? Just because she's showing off her pussy under her schoolgirl skirt? And has gone to school wearing exactly what she has on–or doesn't have on–here? And got sent to the principal's office for what her teacher called "inappropriate dress" and then proceeded to sit in front of the principal with her legs open?

What happened next when you were in the principal's office?

"Well, I knew I was going to be in a lot of trouble with my parents if they found out I went to school without wearing panties, so I had to do something. I lifted my skirt a little and on-purpose-not-on-purpose brushed my fingers against my pussy, and he turned red and gulped really hard. I think he might have cum in his pants. Then he reached into his drawer, handed me a pair of panties and said, 'Put these on, young lady, and go back to class.' So that's what I did."

The principal had panties in his drawer?

"That's what I thought, and I told my best friend about it, and she turned so red, I knew something was up. So I said, 'Mia, tell me,' and she finally admitted to me that she once fucked the principal in his office and he kept her panties as a souvenir. So the next day, I didn't wear panties to class again and got sent to the principal's office again, but this time, you know what I did? I fucked him!"

Do guys hold back during sex 'cause you're so small?

"Yes, all the time, and I have to tell them, 'Just because I'm so little doesn't mean my pussy isn't the same as any other girl's.' That's why I liked the guy I had sex with for *18eighteen*. He was 49 years old, so he's the oldest guy I've ever been with, but he stretched me out really good!"

Does being a ballerina make you a better fuck?

"I think so. I have no way of knowing for sure, but I've had guys tell me I can get into positions other girls can't. One of the girls in my ballet group says she can get her feet all the way behind her head when she's having sex. I can't do that yet, but I'm trying. I've been practicing with my favorite dildo."

You're invited to this teen's first DP party.

Just 18 years old and so pretty. So innocent? Fuck that! The look on Camila's face says, "I want to fuck," and she gets right to it with her guy, only for his friend to show up. Most of Camila's friends are just getting around to fucking. Maybe only giving BJs. Camila's getting DPed.

Aren't you a little young for this?

"You mean fucking two guys? Why? Just because I'm only 18 doesn't mean I can't have fun. I don't smoke or do anything else bad, but I do love to fuck, so what's wrong with that? It's just a little harmless fun. I didn't even start having sex until the day after I turned 18, and look at me now!"

When did you find out you liked anal sex?

"Well, first of all, I don't like it. I love it, and I found out I love it the first time I had sex. My boyfriend was fiddling around down there and didn't know what he was doing, and then I felt his dick rubbing against my butthole. It felt so good, so I told him, 'Don't stop! Stick it in there!' So I actually had anal sex before I had pussy sex, and now this is my first DP. Fun!"

Lola needs the pipes in her kitchen looked at, and even though the guy in her house isn't a plumber, she's sure he can give her what she wants: his pipe. Before long, his hard cock is clogging her mouth and siphoning its way in and out of her teen pussy, and after they've both cum, he says, "I'm going to come over more often and do this." Maybe he can work on her tight butthole.

You're so small. We're guessing guys like that.

"Definitely! Being small means it's easy for guys to pick me up and fuck me against a wall. That's my favorite position, so it works out well for me. I like being manhandled. It's funny how some guys assume my height means I'm shy, but once we start chatting, they realize I'm all about a good time!"

Is this the kinkiest thing you've ever done?

"So far! I really want to go to a sex club but haven't worked up the nerve yet. I want to feel what it's like to have multiple guys inside me at the same time. I want one in my mouth and one in my pussy. If there are other girls at the club, I want to fuck them too. I don't even care how old they are. It just sounds like fun!"

clit's been buzzing like a damn mosquito all summer. So last Thursday, I decided to actually put on real clothes and go out instead of just ordering take out and crying into my pad thai. I wasn't looking for anything. Just needed to feel human again.

I was at this restaurant near my place, sipping a Pepsi and trying not to look like the sad lesbian I was. That's when he showed up. Mark. Or Matt. Something with an M. Tall, kinda scruffy, wearing that "I just rolled out of bed but actually spent 45 minutes on my hair" look that straight guys have perfected. He was annoying as hell at first. He kept making these "jokes" about how lesbians just haven't met the right dick yet, which, ugh. But there was something about his confidence, I guess? Like he didn't give a shit that I was giving him the death stare. Most guys would've backed off, but not him.

After about twenty minutes of his terrible pickup lines, I actually started laughing. Not because the jokes were good (they were fucking terrible) but because it was so absurd. Here I was, a freshly single lesbian, flirting with a straight dude at a bar. The irony wasn't lost on me. But god, it felt good to laugh. To feel desired in a completely different way than I was used to. So when he asked if I wanted to get out of there, I said hell yes before I could overthink it.

On the walk to his place, I kept thinking about how weird this was. I hadn't even looked at a dick since freshman year of college, and now I was about to put one in my mouth? But the more I thought about it, the more curious I got. What would it feel like? Smell like? Taste like? I'd masturbated to lesbian porn a thousand times, but the idea of a man's cock had always grossed me out. Now, for some reason, I wanted to know.

His apartment was…fine. Generic bachelor pad stuff–black leather couch, video games everywhere, that weird man smell that's a mix of body spray and stale beer. But honestly? I didn't care. I was too busy feeling my heart pound in my chest. This was really happening.

He barely closed the door before I dropped to my knees. No foreplay, no awkward small talk. Just straight to it. And fuck, there it was. His dick. Hard and thick and right there in front of my

face. I'd seen dicks before, obviously, but never up close like this. It was… intimidating. Like, how the hell was I supposed to fit all that in my mouth?

But I didn't have time to freak out. My pussy was already wet, and I could feel my clit throbbing. So I reached out, wrapped my hand around his shaft, and just went for it. The first touch was warm, firm, but softer than I expected. I gave it a few slow strokes, watching how his breath hitched when I ran my thumb over the head. Then I leaned in and took the tip in my mouth.

Holy shit.

It tasted musky, yeah, but not gross. Kinda salty, kinda sweet. And the feel of it was so hard but somehow velvety at the same time. I started bobbing my head, taking more of him in my mouth each time. My jaw ached after a minute, but I didn't stop. I wanted to do this right. Wanted to feel what it was like to deep throat a guy. So I pushed past the gag reflex, took him all the way in until my nose was pressed against his pubes, and holy fuck, the sensation was unreal.

While I was working his cock, I slid one hand down my pants and started rubbing my clit. I needed to keep myself wet, needed to feel something while I did this crazy thing. And god, it worked. The contrast was insane–

my fingers on my pussy, his dick down my throat. It was messy and awkward and so fucking hot.

He was groaning above me, his hands in my hair, not pushing but not exactly gentle either. "Yeah, baby, suck that dick," he kept saying, which normally would've pissed me off, but in the moment? It turned me on. Made me feel powerful, like I was in control even though I was on my knees.

Then he came. No warning, no pulling out, just a sudden jerk and hot, thick spurts hitting the back of my throat. I almost choked, but somehow managed to swallow. And fuck, it wasn't gross at all. Kinda bitter, yeah, but not in a bad way. Like espresso or dark chocolate. I kept sucking as he finished, milking every last drop, and that's when I felt a wave of pleasure so intense it made my vision blur. I came right there on his floor, fingers still buried in my pussy, his softening dick in my mouth.

We just sat there for a minute after, both breathing heavy. He looked shocked, like he couldn't believe what just happened. But I was the one who

She's developing, but not there. At all.

Well, it looks like Juniper's tits haven't grown even a bit since we last saw her in Vol. 27 No. 4. "Is that okay?" this teen from Oregon asked. "Do you still love me?" It's more than okay, Juniper. It's great. And, yes, we still love you. We still love to jack off to you, and she loves to fuck. A lot. She told us she has sex almost every day. She's into girls and has had multiple girlfriends. She enjoys eating pussy.

Young guys need not apply. She likes 'em older.

Juniper can be seen fucking a guy twice her age in the new movie *Carded* and a guy almost three times her age in *Teens Love Older Men*. "Until recently, I'd only ever slept with guys in my age range, and it was always blah. Then I hooked up with a guy who was, like, 50, and he was amazing. He ate my pussy like a fuckin' expert, and he even licked my asshole. Now all I want to do is fuck older men."

It's Cum Time!

Eva can't wait to get home from school.

One issue after she got ass-fucked by her big-dicked tutor in a wild *18eighteen* debut, Eva is back to give us unobstructed views of her hot, little body and tight fuck boxes. She hopes you like what you see. "I try to cum twice a day, once in the morning when I wake up and then later when I get home from school," Eva said. "I get so frustrated by some of the mean teachers, I can't wait to get home and play. When I'm done, I meet up with my friends. I'm pretty sure they just came too."

Eva, you really are fixated on your own ass, aren't you?

"I told you last time how much I love anal sex, didn't I? I'm not just showing you my ass here. I'm giving you an invitation. If you were with me, what would you do to my ass? Would you finger it and lick it before you fucked it? I hope so! And now that I've had anal sex on-camera for the first time, I'm hoping to find more guys who will fuck my ass. I think they might have to be older guys. I don't think guys my age would know what they're doing, but who knows?"

What's your favorite way to get off?

"It's different in the morning and the afternoon. In the morning, I'll slide my hands under my pajamas and slowly wake up by rubbing myself until I cum. In the afternoon, I'll use my toy and my fingers at the same time. Maybe I'll slide my toy into my pussy while I finger my ass. I've thought about using my toy on my ass, but I haven't done it so far. I'll definitely let you know if I do!"

Eveline Little Rider

She's small in stature, big in horniness.

The photos you're looking at were shot just two months after Eveline's 18th birthday. Isn't that nice? Her parents threw her a big party when she turned 18. All of her family and friends showed up, and she was the belle of the ball. But although she was dancing and laughing and have a great time, there was really one thing on her mind: how she could do a porno. It took her two months to figure it out, and now she is in her barely legal glory.

How did you finally find your way to *18eighteen*?

"I kept looking online, and then I found your website and I clicked on the part where it said 'Modeling Jobs.' I was afraid you only wanted girls with big boobs, but I sent in my photos anyway, and you wanted me! I was so excited, I couldn't wait! I convinced my older brother's friend to let me practice on him–sex, I mean–and he told me he thought I'd make a great porn star. He said my pussy is so tight!"

was stunned. Not just because I'd sucked a dick for the first time in my life, but because I fucking loved it. There was something so primal about it, so dirty in the best way.

I washed out my mouth in the bathroom, and when I came out, he was texting. "You wanna stay?" he asked, but I shook my head. I needed to process this alone.

The walk home was a blur. My mouth still tasted like him, my thighs were sticky, and my brain was racing. What the fuck did I just do? Was I not actually a lesbian? Had I been lying to myself this whole time? But no, I still got wetter thinking about women. I still preferred the softness of a woman's body, the way a pussy smells, the intimacy of eating someone out. But god, that dick....

I thought about it all weekend. I kept replaying the feel of him in my mouth, the taste of his cum, the way my body reacted. Monday morning, I texted him. Just "hey." He replied instantly: "u wanna do that again?" And before I could stop myself, I said yes.

We met up Wednesday. This time, he went down on me first. And it was different than with women. His tongue was rougher, less precise, but there was something about the maleness of it that drove me wild. When he finally slid a finger inside me, I came so hard I saw stars.

Afterward, he asked if I wanted to try fucking. I said no. I'm still not ready for that. But I did let him eat my pussy again while I sucked him off. And this time, I swallowed without even thinking about it.

I don't know what this means for me. Maybe I'm bi. Maybe I'm just going through a phase. But here's the thing: I don't care. For the first time since my breakup, I feel alive. Curious. Free. Like my sexuality isn't some fixed box I have to fit into, but something fluid and exciting and mine to explore.

I still miss my ex like crazy. Still cry sometimes when I smell her perfume on an old scarf. But now I also have this new, thrilling part of myself I never knew existed. And yeah, maybe I'm still mostly a lesbian. But I'm also the girl who sucks cock now. And honestly? I fucking love it.

Harley Hungry for Cock

She has a very good relationship with her father's best friend.

The truth is if Harley's dad walked in right now, he wouldn't know what to do first, ground his daughter for life or kick his best friend's ass for having his hands and mouth all over her body. Maybe he should've realized all along that his friend is a horndog and has had his eyes on Harley ever since she turned 18. She's had her eyes on him too.

Your dad's best friend? Why?

"Truth? This isn't the first time we hooked up. The first time was a few days after I turned 18. Clarke and my dad were outside working on fixing the patio, then Clarke came in for a drink, so I walked up to him, grabbed his cock, got down on the kitchen floor and sucked it. He was so surprised! I could actually see my dad through the window while I was doing it!"

Okay, so how many times have you hooked up since?

"As often as we can. It's not easy because Clarke can't just drop by when my mom and dad are home and come up to my room and fuck me, and he's married, so I can't go to his house, so we kinda just sneak around. This time, my parents were away, so we basically fucked all weekend. You know what's funny? My dad asked Clarke to look after me while they were gone, and Clarke said, 'You know I will.'"
